## Upcoming UPK Information Parent Meetings

### Apply to Universal Pre-K!

Attention all parents of children in Clarkstown, Nanuet, Nyack, North Rockland, Pearl River, South Orangetown and Suffern.

Do you have a child who will **turn 4 years old** on or before December 1, 2024? They are eligible for UPK!

Universal Pre-K (UPK) is a **free pre-kindergarten** program available at local preschools with qualified teachers. Program space is limited and students are selected via a lottery system.

The program is designed to help children begin their education at an early age and get a solid start on the road to active learning.

Join Lisa Collopy from Rockland BOCES for an Universal PreKindergarten information session. Information will be shared about the process of applying, what happens you receive a spot from the lottery and other valuable information!

There will be two opportunities for you to attend one session:

- Monday, January 22nd, in-person, at Rockland BOCES, at 4:30pm
- Wednesday, January 24th, via Zoom, at 6:00pm

To attend, please register by filling out this [Google Form](#).

Once you have registered the location or Zoom link will be shared with you.

The same information will be presented at both meetings.

The East Ramapo School District has an in-district UPK program requiring a different process. To learn more please contact the East Ramapo UPK Office for information about registering for UPK.
